Participation Information

Welcome to the 27th year of our handcrafted fine art and fine craft show sponsored by the Loveland Athletic Boosters. Please read over the following participation rules prior to submitting your application.

ABOUT OUR EXPO:

The event is held at Loveland High School in Loveland, Ohio near Kings Island amusement park and about 20 miles north of Cincinnati. We have approximately 165 Booths; offer table rental and electricity (limited). We advertise our show in the Community Press for multiple areas, Cincinnati Enquirer, yard signs, local businesses, online community calendars and much more. We supply chairs in your booth, continental breakfast, assistance in and out of the craft show, booth delivery of food and booth sitters for small breaks. Our show is designed to give the artist/crafter what they want at a show.

ART/CRAFT MEDIUM:

This is a juried show and we look for quality artisans. Previous participation does not guarantee acceptance or the same booth. All products that you are selling must be handcrafted by you. You must only bring the work that you supplied on your application.

BOOTH INFO:

All booth sizes are 10x10. Booths are setup in the Front & Rear Gymnasium, Cafeteria and Main Hall. Wall spaces and spaces with electricity are very limited. If using electric, you will need to bring your own electrical cords and duct tape.

All set-ups, chairs and items must be located inside your booth space. All exhibitors are expected to present their art/craft in an attractive manner with covered tables and inviting displays. Due to liabilities exhibitors are not allowed to bring pets.

RAFFLE:

We hold a raffle for artists/crafters to showcase their work. A raffle tag will be included with your confirmation packet that will detail your booth location and company information so that shoppers can find you. Participation in the raffle is optional, but very much appreciated.

SET-UP:

Set-up will be on the morning of the show starting around 7am. The show ends at 4pm, please do not start packing up until then.

APPLICATION:

Past exhibitors will be allowed to request the same booth space from the previous year until July 1, 2010. While we attempt to honor location requests, no guarantees can be made; previous participation does not guarantee the same booth. If applying for electric, a separate \$5 check must be included with the application. If we cannot provide electric, your \$5 check will be returned with your confirmation letter. Returning Exhibitors need to resubmit photos as it is necessary for the jury process. After July 1, 2010 there will be NO refunds of booth fees for cancellations. If your application is denied your booth fee will be returned to you.

ACCEPTANCE / CONFIRMATION:

Acceptance letters will be sent via email or mail once your application is processed. Confirmation packets will be sent one month prior to the date of the show.
