

Loveland Athletic Boosters
Membership Application – 2009/2010

WHAT WE DO: The Boosters support athletics at the high school and the junior high where our tax dollars and school budgets fall short. In the past decade alone we have funded over 1 million dollars for the advancement and success of Loveland sports teams. These dollars directly support our student athletes, and teams with the “wish list” items and the ***Tiger Turf Project*** which is scheduled to be completed in August before the start of this school year.

HOW YOU CAN HELP: *Become a Booster Member*-your membership dues directly support our student athletes and sports programs. Last year we had 255 families who supported our Loveland Athletes by paying membership dues to the Loveland Athletic boosters. Our goal is to increase the number of families joining the boosters. We are pleased to provide an incentive to sports teams who meet a 90% membership goal and a reserved parking to all home football games to anyone who becomes a Lifetime Member.

Please Become A Loveland Athletic Booster Member!!!!
